Vendor King MAXI

Versatile, ergonomic and gastro-norm (GN) compatible

The universal hawker tray
in 3 sizes – S, M, XL

Gastro-norm-compatible

The Vendor King MAXI is a new improved version of the Vendor King, which we first launched back in 2007. Double-walled, lightweight and robust, it has a higher capacity than the Vendor King, so you can pack in larger quantities or bulkier items. It also comes with a gastro-norm adapter allowing the use of gastro-norm inserts in all available sizes/depths (20 – 200 mm).

The standard gastro-norm format (GN) 1/1 measures 325 x 530 mm

Vendor King MAXI M with gastronorm adapter

Vendor King MAXI XL with gastronorm adapter

Inlays and dividers:

Thanks to optionally available dividers or inlays with different diameters, the Vendor King MAXI will accommodate cups, bottles and/or cans, etc.

The integrated handles make it easier to lift and manoeuvre the tray through crowds.

24 x 77 mm diameter holes (24/77)

28 x 73 mm diameter holes (28/73)

Advertising surface / branding

The removable plastic pocket supplied with the tray is a neat and eye-catching way to advertise your brand. The transparent PVC cover not only ensures good visibility but also keeps your advertising dry at all times. The banner is inserted via an easily accessible zip at the back.

Dimensions of advertising surface:

- Vendor King MAXI S (l x h): 770 x 90 mm
- Vendor King MAXI M (l x h): 770 x 115 mm
- Vendor King MAXI XL (l x h): 770 x 230 mm

We can also produce the advertising insert for you as part of your order.

Carrying system

Carrying loads can be a tiring business, so your personnel need a product they are comfortable with. That's why all Vendor King trays have a padded, breathable back section which distributes the weight evenly and prevents the straps from cutting in. The carrying height and strap widths are steplessly adjustable.

Look, no hands!

Correctly loaded, positioned and adjusted, the Vendor King can be used hands-free.

Product details Vendor King MAXI S:

Standard colour: black
 Weight:2.3 kg
 Outer dimensions (l x w x h): 650 x 420 x 125 mm
 Net price per unit: € 189.–

Product details Vendor King MAXI M:

Standard colour: black
 Weight:2.5 kg
 Outer dimensions (l x w x h): 650 x 420 x 160 mm
