Vendor King

Ergonomic, lightweight, stackable

The classic hawker tray reinvented

Custom-made example: exclusive for UEFA EURO 2012 Poland & Ukraine

The Vendor King takes the classic hawker tray to a new dimension: it is lightweight, virtually indestructible, stackable and easy to clean.

Like all other Cup Service Products, it has an ergonomically optimised carrying system for guaranteed, fatigue-free comfort.

Further technical details:

- Sturdy, lightweight tray in impact-resistant ABS plastic
- Integrated handles at the sides for easy lifting
- Quick Snap carabiner for quick tray change
- Multiple inlays and dividers for different products
- Stackable for space-saving transport and storage
- Easy to use
- Easy, residue-free cleaning
- Maintenance-free
- Made in Germany

Prices: / unit (net):

Vendor King pure: 189.- €

Inlay: 19.- €

Set of 5 dividers: 19.- €

Carrying system

The ergonomic back-plate distributes the weight evenly for maximum carrying comfort. Heights and widths can be steplessly adjusted to suit the user.

Look no hands! Correctly loaded, positioned and adjusted, the Vendor King can be used hands-free.

Advertising area

The flexible advertising area at the front of the Vendor King (measurements W x H: 620 x 115 millimetres) is perfect for getting your message across and guaranteed to catch the eye. Highly user-friendly – simply insert your advertising banner into the transparent PVC sleeve and clip it onto the Vendor King.

Divider

Uses:

Thanks to optionally available dividers or inlays with different diameters, the Vendor King can be used to carry cups, bottles and/or cans (standard assortment).

The integrated handles at the sides make it easy to lift and manoeuvre the tray through crowds. Additional stability is provided by the fitted base plate with stacking rim for tip-resistant storage even in the smallest spaces.
