Textile Vendor Tray

A new take on a classic model

- Made from thermo-insulating materials
- Flexible dividers for clear organisation
- Large transparent plastic sleeves for eye-catching advertising
- Ergonomic carrying system guarantees maximum comfort

Our textile vendor trays are made from high-quality materials. Built-in honeycomb plates and foamed plastics ensure good insulation, durability and stability. The semicircular shape makes it easy to get to the customer even in crowded areas. The range includes five different models in various dimensions, so you can choose the right tray for your purposes.
